President's Message

Greetings SCCEP members,

My name is Scott Hayes and I am honored and privileged to serve as your President for 2019-2020. I am currently the Facility Medical Director of Emergency Services at Trident Medical Center in Charleston, where I have been for the past 10 years. I only hope that I, along with a dedicated Board of Directors, am able to accomplish just a small portion that the last several presidents have been able to in my year as president.

I would like to thank our immediate past president, Dr. Christina Millhouse, for her dedication and tireless work to the South Carolina College of Emergency Physicians and her work to Emergency Medicine as a whole. Christina did a fantastic job leading The SC Chapter into 2019 and beyond. We are all grateful for her service.

In June, along with the Georgia and North Carolina Chapters, we held the Coastal Emergency Medicine Conference at Kiawah Island, SC. If you have not attended in the past, I highly encourage you to attend next year. There were over twenty lecturers that spoke on Pediatric Conditions, The Opiate Epidemic, Technology in Medicine, Public Health Issues and other Emergency Specific conditions, not to mention the Tri-State Residency Jeopardy tournament. The conference was very educational and enjoyed by all of the attendees. Much gratitude to the Educational Committee for their hard work in this amazing, successful conference. Save-the-Date for 2020: June 12-14 at Kiawah Island Resort.

Moving forward, I would like to continue the work that Dr. Millhouse initiated with regards to Violence on Healthcare Workers. We must continue to work with the SCHA and each other to provide a safe place to practice and care for our patients. SCCEP also is continuing our work on Safe Prescribing as well as the Behavioral Health Transport Bill.

In summary, I personally would like to thank each and every one of you for your time and commitment to our patients, our specialty and the state of South Carolina. We are the ones on the front line 24 hours a day, 365 days a year, regardless of weekends, holidays, or family events. The success in our specialty depends on an active and engaged membership. If you would like to get involved with SCCEP or if you have any questions or comments, please feel free to [reach out to me directly](#). I hope everyone is enjoying their summer thus far and getting to take a little bit of time off to relax and recharge. Thank you.

Sincerely,

Scott Hayes MD, FACEP
SCCEP President

Introducing the 2019 - 2020 SCCEP Board of Directors

Executive Officers

President - Scott Hayes, MD, FACEP

President-Elect - Derrick Wenning, MD, FACEP

Secretary - Ken Perry, MD
